ELECTRICAL CONSTRUCTION CAPITAL ACCOUNT

The Electrical Construction Capital Account is established for the purpose of constructing, maintaining and repairing street lighting and other public electric facilities, and for the purpose of purchasing and maintaining a stock of material and supplies in connection therewith, the expense of which is to be reimbursed from appropriations of City funds, from funds of other governmental agencies or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

Charges shall be based on the total cost of furnishing material and services, including for incidental and overhead expense, not to exceed the following percentages: Twenty per cent of the direct labor charges and seven per cent of the material and other charges; provided that charges for the use of trucks, compressors, mixers and other rolling and mechanical equipment shall be made on a unit rate per day or other unit as shall be determined by the Commissioner of Streets and Sanitation and approved by the Comptroller. Such unit rate or other basis of charge shall be determined and shall be adjusted from time to time on the basis of actual cost for furnishing the use of such equipment, which cost shall include expense incidental to the maintenance, housing and operation of such rolling and mechanical equipment and an appropriate charge for depreciation. The rates or other basis as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis.

A reserve for depreciation shall be set up for all charges for depreciation included in the costs. Amounts equivalent to the periodic charges for depreciation shall be transferred from the general cash of the Electrical Construction Capital Account to a depreciation reserve fund and expended therefrom for the replacement of rolling and mechanical equipment.

Expenditures are authorized to be made for material and supplies for hire of trucks and other equipment and for other services

Expenditures are authorized for the payment of salaries and wages for employes authorized under appropriations for the Bureau of Electricity when such expenditures are properly chargeable to the Electrical Construction Capital Account and are to be reimbursed from appropriations of City funds, from funds of other governmental agencies or by private persons.

Expenditures are authorized to be made for salaries and wages of the following employes for such period of time as may be necessary; including increments for schedule salary adjustments:

ENGINEERING REVOLVING FUND

The Engineering Revolving Fund is established for the purpose of doing the necessary work in connection with the engineering, inspection and supervision of projects under the jurisdiction or supervision of the Department of Public Works of the City of Chicago, the expense of which is to be reimbursed from appropriations of the City funds, from funds of other governmental agencies or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Section 7-24.1 to 7-24.10 of the Municipal Code of Chicago and to the conditions and limitations herein set forth.

Charges shall be based on the total cost of furnishing the services including not to exceed twenty percent for overhead and incidental expenses, provided that the engineering and drafting furniture, machinery and equipment used in the furnishing of services shall be charged for at fair rates as established by the department, subject to the approval of the Comptroller. Such rates for furniture and equipment used in furnishing of services shall be determined and shall be adjusted from time to time on the basis of actual cost for furnishing the use of such equipment, which cost shall include expense incidental to the maintenance and operation of such equipment and furniture and an appropriate charge for depreciation. The rates or other basis as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis.

A reserve for depreciation shall be set up for all charges for depreciation included in the costs. Amounts equivalent to the periodic charges for depreciation shall be transferred from the general cash of the Engineering Revolving Fund to a Depreciation Reserve Fund and expended therefrom for the replacement of equipment; including automotive equipment.

Expenditures are authorized for all items as may be necessary, as shall enter into or become a part of the cost of furnishing the services herein authorized.

Expenditures for salaries and wages, including increments for schedule salary adjustments, and compensation for use of personally-owned automobiles are limited to such positions, such number of positions, and rates of compensation as are specified hereunder.

Additional compensation of twenty-five cents per hour is authorized to be paid to employes during such periods as they may work under compressed air.

Overtime at established rates is authorized to be paid to employes.

The rates as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate. Such rates shall be revised and adjusted from time to time on the basis of the total cost, including maintenance and depreciation of the asphalt plant buildings and equipment, and plus not to exceed ten per cent for general administrative, overhead and other expense.

Expenditures are authorized for salaries and wages of authorized titles, material and supplies, truck service and other expense incident to the manufacture and delivery of asphalt.

OFFICE OF THE MAYOR
CITY OF CHICAGO

January 8, 1969.

Hon. John C. Marcin,
City Clerk.

DEAR SIR—I, Richard J. Daley, Mayor, do hereby call a special meeting of the City Council of Chicago to be held on Tuesday, January 14, 1969, at 12:00 Noon, in the Council Chamber on the second floor of the City Hall, for the purpose of taking suitable action in honor of Astronauts Col. Frank Borman, Capt. James A. Lovell, Jr. and Lt. Col. William A. Anders.

Very truly yours,
(Signed) RICHARD J. DALEY,
Mayor.

Welcome Extended to Honored Guests and Designation Made of January 14, 1969, as "Apollo 8 Astronauts Day in Chicago".

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution:

WHEREAS, Three gallant and valorous Americans, Colonel Frank Borman, Navy Captain James A. Lovell, Jr. and Lieutenant Colonel William A. Anders, flawlessly executed mankind's first interplanetary voyage to the Moon, Project Apollo 8, navigating and maneuvering their engineering masterpiece with such precision as to exceed all expectations, and thereby earn for themselves, and for America, the admiration, respect and acclaim of the entire world; and

WHEREAS, The flight of Col. Borman, Capt. Lovell and Lt. Col. Anders was the farthest, fastest and most daring journey ever made by men, enabling them to see what man had never before seen, enabling them to be where man had never before been and enabling them to blaze a trail for others to follow, a voyage that has been acknowledged as one of the great pioneering efforts of mankind, thereby marking them as extraordinary explorers and heroes in the truest sense; and

WHEREAS, Through their painstaking attention to detail, their inspired creativity and their technological skill in still and television photography, the entire world was able to share in this expedition and in the thrill and enjoyment of seeing many of the important lunar topographical features, patiently and descriptively reported by Col. Borman, Capt. Lovell and Lt. Col. Anders; and

WHEREAS, The prestige of our nation, its programs, its skills and its pursuit of a peaceful conquest on a hitherto unchartered frontier, has been greatly enhanced and mankind's inventory of knowledge greatly enriched by the success of Apollo 8; and

WHEREAS, Col. Borman, Capt. Lovell and Lt. Col. Anders have graciously accepted Chicago's invitation to visit our City and participate in programs honoring them and their achievements; now, therefore,

Be It Resolved, That the Mayor and members of the City Council, in meeting assembled this 14th day of January, 1969, do hereby declare Tuesday, January 14, 1969, to be a day to honor Astronauts Borman, Lovell and Anders and call upon the citizens of Chicago and all the people of Mid-America to join in the programs which have been arranged to pay tribute to these great men who have participated in America's greatest engineering triumph and mankind's greatest adventure in exploration, made possible not only by the scientific knowledge of themselves and others, but by their great courage and fortitude, which serves as an example to all; and

Be It Further Resolved, That Tuesday, January 14, 1969, be and hereby is declared to be Astronauts Borman, Lovell and Anders Day in Chicago and that the United States flag be flown on all public buildings, at all places of business and from every home in Chicago.

Alderman Keane (seconded by Alderman Bohling) moved to *Adopt* the foregoing proposed resolution.

The motion *Prevailed,* unanimously.

Alderman Keane in making his motion to Adopt the foregoing resolution stated that the achievements of the flight of the Apollo 8 Astronauts was due mainly to their religious beliefs, which guided each of them in their reliance upon God, in their endeavors. He stressed the point that the Astronauts being restored to communication with the Space Control Command, cited biblical verses from the Book of Genesis when they stated that there is a God who watched over them. He congratulated them on their re-entry feat and their safe return to the many persons involved in the operation of the program. The Alderman also stated that the prayers of all for the success of the flight was a proud achievement not only for our nation but for all the people of the world.

Alderman Bohling in his seconding speech stated that it was an honor for him to be called upon to speak in behalf of the resolution, praising the courage of the Astronauts which would have a beneficial effect for all generations to come. He also congratulated the Astronauts and the many persons necessary in the flight program.

Honorary Citizenship Conferred on Colonel Borman, Captain Lovell, Jr. and Lt. Colonel Anders.

Honorable Richard J. Daley, Mayor, then presented the three Astronauts with plaque copies of the resolution commemorating their achievement, together with a medallion conferring honorary citizenship of the City of Chicago.

Colonel Borman then addressed the Council citing his impressions of the day noting the extreme warmth of everyone in their trip from Chicago-O'Hare International Airport to the Loop, noting that in their travels around the country they experienced a fantastic month in all their public receptions. Colonel Borman recalled that the reaction of the thousands of persons who viewed the motorcade to the City were not necessarily for themselves personally, but a tribute to the many who worked hard for the success that made the trip to the moon such a momentous achievement. He also stated that God was with them on their historic flight.

Captain Lovell, Jr., then addressed the Council stating that the medallions and plaques presented to each of the Astronauts would be accepted by him not only for himself but for all Americans.

Lieutenant Colonel Anders remarked that when he

was called upon to talk that the two preceeding speakers had covered all the general thoughts that were in their minds. Lieutenant Colonel Anders said that he was grateful to be at a Council meeting of the City of Chicago which was the root of our government and that he, coming from a small town, El Largo, Texas, was a member of the Common Council under the jurisdiction of a road commissioner. He thanked the Mayor on the fine tribute and honors bestowed upon them by the City. He stated that when they were leaving the orbit of the earth they noticed the smallness of our planet, one which contained the many nations, the many religious groups and people, and it impressed him that our earth could and should be a world of peace, brotherhood and understanding. Court Decision.

Also a communication from the Department of Law signed by Joseph Lascaro, Assistant Corporation Counsel and Marvin E. Aspen, Head of Appeals and Review Division, addressed to the City Council under date of December 30, 1968 advising the City Council that on December 27, 1968, the Illinois Appellate Court affirmed the judgment for defendant Winter in a cause entitled *Alverio, et al. v. Dowery, et al., Illinois Appellate Court No. 51781.* In dismissing plaintiffs' complaint and reversing the judgment for defendants Keegan, Ryan, Slechter and Dowery in dismissing plaintiffs' complaint which sought damages for false arrest and imprisonment. At the close of plaintiffs' case, the Court directed verdicts and entered judgment thereon for the defendants. The basic issue presented was whether the trial court properly directed a verdict against the plaintiffs at the close of the plaintiffs' case in chief. The evidence of the plaintiffs may be summarized as follows: they were arrested on a Sunday afternoon and kept in custody twelve to thirteen hours on disorderly conduct charges. The complaints against them were unsigned but were nonetheless notarized by the desk sergeant. The sum of $112.00 was paid to the bondsman, Dowery, notwithstanding the fact that the total bond set by court rule would have amounted to $60.00 in cash. It is also clear from the undisputed testimony that the entire procedure was relegated to Dowery by the police and that the police at no time explained the method by which plaintiffs could make bail and obtain their release. The Court held that the verdicts may be directed only in those cases in which the evidence when viewed in its aspect most favorable to the opponent so overwhelmingly favors the movant that no contrary verdict based on that evidence could ever stand. The Court stated that where an officer makes an arrest without a warrant for an alleged crime which has not been committed in his presence, such arrest is illegal if the crime has not actually been committed. In the case at bar there exists a question of fact as to whether or not the crime of gambling was committed in their presence. There was also ample evidence from which the jury could have found that the offense was not in fact committed, in which event plaintiffs would have been entitled to recover. Further, the Court stated that there was sufficient evidence of conspiracy between the bondsman Dowery and the police officers Ryan, Keegan and Slechter to require the submission of the issues to a jury.—*Placed on File.*

ORDINANCE

Authorizing Revisions in the Application for a First Neighborhood Development Program.

Whereas, On October 9, 1968 the City Council of the City of Chicago duly adopted an Ordinance authorizing the filing of an application for Federal financial assistance in the First Neighborhood Development Program of the City of Chicago; and

Whereas, The Department of Urban Renewal of the City of Chicago, by Resolution adopted January 14, 1969, has recommended certain revisions in the areas to be included in said Neighborhood Development Program; and

Whereas, The City Council has duly considered said revisions and having heretofore determined that:

2. It is recognized that the Federal Contract for such financial assistance pursuant to said Title I will impose certain obligations and responsibilities upon the City of Chicago, and will require, among other things, (a) the provision of local grants-in-aid; (b) a feasible method for the relocation of individuals and families displaced from the urban renewal area or areas comprising the Neighborhood Development Program; and (c) other local obligations and responsibilities in connection with the undertaking and carrying out of the Neighborhood Development Program; and

4. The objectives of portions of the Neighborhood Development Program cannot be achieved

through more extensive rehabilitation of designated Slum and Blight areas and Urban Renewal areas comprising the Neighborhood Development Program; and

5. Certain areas in the Neighborhood Development Program extend into presently designated Code Enforcement Areas and it is the desire of this Body to eliminate any overlapping of said programs; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. That the United States of America and the Secretary of Housing and Urban Development be, and they hereby are assured of full compliance by the City of Chicago with regulations of the Department of Housing and Urban Development effectuating Title VI of the Civil Rights Act of 1964, and applicable Executive Orders.

Whereas, It is provided in such Act that contracts for financial aid thereunder require that a Redevelopment Plan for the respective project area be approved by the governing body of the locality in which the project is situated and that such approval include findings by the governing body that, (1) the financial aid to be provided in the contract is necessary to enable the project to be undertaken in accordance with the Redevelopment Plan; (2) the Redevelopment Plan will afford maximum opportunity, consistent with the sound needs of the locality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise; (3) the Redevelopment Plan conforms to a general plan for the development of the locality as a whole; and (4) the Redevelopment Plan gives due consideration to the provisions of adequate park and recreational areas and facilities, as may be desirable for neighborhood improvement, with special consideration for the health, safety, and welfare of children residing in the general vicinity of the site covered by the Plan; and

Whereas, The Local Public Agency has made detailed studies of the location, physical condition of structures, land use, environmental influences, and social, cultural, and economic conditions of the Project area and has determined that the area is a Slum and Blighted Area and that it is detrimental and a menace to the safety, health, and welfare of the inhabitants and users thereof and of the Locality at large, because of the dilapidation, obsolescence and overcrowding of structures in the area, and the members of this Governing Body have been fully apprised and are aware of these facts and conditions; and

Whereas, There has been prepared and referred to the City Council of the Locality (herein called the "Governing Body") for review and approval a Redevelopment Plan for the Project area dated November, 1968 and consisting of a narrative description and exhibits; and

Whereas, The Project area, which is predominantly residential in character, is to be redeveloped for residential and commercial—light industrial uses under the Redevelopment Plan; and

Whereas, A general plan has been prepared and is recognized and used as a guide for general development of the Locality as a whole; and

Whereas, The Local Public Agency has prepared and submitted a program for the relocation of individuals and families that may be displaced as a result of carrying out the Project in accordance with the Redevelopment Plan; and

Whereas, There have also been presented to the Governing Body information and data respecting the relocation program which has been prepared by the Local Public Agency as a result of studies, surveys and inspections in the Project area and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

Whereas, The members of the Governing Body have general knowledge of the conditions prevailing in the Project area and of the availability of proper housing in the Locality for the relocation

of individuals and families that may be displaced from the Project area and, in the light of such knowledge of local housing conditions, have carefully considered and reviewed such proposals for relocation; and

Whereas, it is necessary that the Governing Body take appropriate official action respecting the relocation program and the Redevelopment Plan for the Project, in conformity with the contract for financial assistance between the Local Public Agency and the United States of America, acting by and through the Department of Housing and Urban Development; and

Whereas, The Governing Body is cognizant of the conditions that are imposed in the undertaking and carrying out of urban renewal projects with Federal financial assistance under Title I, including those prohibiting discrimination because of race, color, creed or national origin; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. That it is hereby found and determined that the Project is a Slum and Blighted area and qualifies as an eligible Project Area under Section 91.101 to 91.136 of Chap. 67-½ of the Ill. Rev. Stats. (1967).

Section 7. That it is hereby found and determined that the Redevelopment Plan for the Urban Renewal Area will afford maximum opportunity, consistent with the sound needs of the Locality as a whole, for the urban renewal of the Area by private enterprise.

That it is hereby found and determined that the program for the proper relocation of individuals and families displaced in carrying out the Project in decent, safe, and sanitary dwellings in conformity with acceptable standards is feasible and can be reasonably and timely effected to permit the proper prosecution and completion of the Project; and that such dwellings or dwelling units available or to be made available to such displaced individuals and families are at least equal in number to the number of displaced individuals and families, are not generally less desirable in regard to public utilities and public and commercial facilities than the dwellings of the displaced individuals and families in the Project Area, are available at rents or prices within the financial means of the displaced individuals and families, and are reasonably accessible to their places of employment.

Any such interruption of service shall never be deemed an eviction or disturbance of the Lessee's use and possession of the premises or any part thereof, or render the Lessor liable to the Lessee for damages, or relieve the Lessee from performance of the Lessee's obligations under this lease.

3. Lessor's Title: The Lessor's title is and always shall be paramount to the title of the Lessee, and nothing in this contained shall empower the Lessee to do any act which can, shall or may encumber the title of the Lessor.

The Lessor may enter upon the premises and may exercise any or all of the foregoing rights hereby reserved without being deemed guilty of an eviction or disturbance of the Lessee's use or possession and without being liable in any manner to the Lessee.

5. Default Under Other Lease: If the term of any lease, other than this lease, made by the Lessee for any premises in the Building shall be terminated or terminable after the making of this lease because of any default by the Lessee under such other lease, such fact shall empower the Lessor, at the Lessor's sole option, to terminate this lease by notice to the Lessee.

6. Waiver of Certain Claims: Neither the Lessor nor the Lessor's agents, servants, employees, officers or directors shall be liable, and the Lessee waives all claims for damage to person or property sustained by the Lessee or by any occupant of the Building or premise or by any other person resulting from the Building or any part of it or any equipment or appurtenance becoming out of repair, or resulting from any accident in or about the Building, or resulting directly or indirectly from any act or neglect of any tenant or occupant of the Building or any other person. This section shall apply especially, but not exhaustively, to damage caused by water, snow, frost, steam, excessive heat or cold, sewage, gas, odors or noise or the bursting or leaking of pipes or plumbing fixtures, and shall apply equally whether any such damage results from the act or neglect of other tenants, occupants or servants of the Building or of any other person, and whether such damage be caused or result from any thing or occurrence above mentioned or referred to, or any other thing or circumstance whether of a like nature or of a wholly different nature. If any such damage result from any act or neglect of the Lessee, the Lessor may, at the Lessor's option, repair such damage, whether caused to the Building or to tenants thereof, and the Lessee shall thereupon pay to the Lessor the total cost of such repairs and damages both to the Building and to the tenants thereof. 7. Holding Over: If the Lessee retains possession of the premises or any part thereof after the termination of the term by lapse of time or otherwise, the Lessee shall pay the Lessor rent at double the monthly rate specified in Section 1 for the time the Lessee thus remains in possession, and in addition thereto, shall pay the Lessor all damages sustained by reason of the Lessee's retention of possession. If the Lessee remains in possession of the premises or any part thereof, after the termination of the term by lapse of time or otherwise, such holding over shall, at the election of the Lessor expressed in a written notice to the Lessee and not otherwise, constitute a renewal of this lease for one year. The provisions of this section do not waive the Lessor's rights of reentry or any other right hereunder.

8. Assignment and Subletting: The Lessee shall not (a) assign or convey this lease or any interest under it; (b) allow any transfer hereof or any lien upon the Lessee's interest by operation of law; (c) sublet the premises or any part thereof, or (d) permit the use or occupancy of the premises or any part thereof by any one other than the Lessee.

9. Condition of Premises: The Lessee's taking possession shall be conclusive evidence as against the Lessee that the premises were in good order and satisfactory condition when the Lessee took possession. No promise of the Lessor to alter, remodel or improve the premises or the Building and no representation respecting the condition of the premises or the Building have been made by the Lessor to the Lessee, unless the same is contained herein, or made a part hereof. This lease does not grant any rights to light or air over property, except over property owned by the Lessor, which may be subject to the Lessee's rights hereunder. At the termination of this lease by lapse of time or otherwise, the Lessee shall return the premises in as good condition as when the Lessee took possession, ordinary wear and loss by fire excepted, failing which the Lessor may restore the premises to such condition and the Lessee shall pay the cost thereof. The Lessee may remove any floor covering laid by the Lessee, provided (a) the Lessee also removes all nails, tacks, paper, glue, bases and other materials used in laying, and restores the floor surface to the condition existing before such floor covering was laid, or (b) the Lessee pays to the Lessor, upon request, the cost of restoring the floor surface to such condition. If the Lessee does not remove the Lessee's floor coverings, radiator covers, Venetian blinds, window ventilators and other like equipment from the premises prior to the end of the term, the Lessee shall be conclusively presumed to have abandoned the same, and title thereto shall thereby pass to the Lessor without payment or credit by the Lessor to the Lessee.

10. Alterations: The Lessee shall not make any alterations or additions to the premises without the Lessor's advance written consent in each and every instance. The Lessor's decision to refuse such consent shall be conclusive. If the Lessor consents to such alterations or additions, before commencement of the work or delivery of any material into the premises or into the Building, the Lessee shall furnish the Lessor with plans and specifications, names and addresses of contractors, copies of contracts, necessary permits and indemnification in form and amount satisfactory to Lessor and waivers of lien against any and all claims, costs, damages, liabilities and expenses which may arise in connection with the alterations or additions. Whether the Lessor furnishes the Lessee the foregoing information or not, the Lessee shall hold the Lessor harmless from any and all liabilities of every kind and description which may arise out of or be connected in any way with said alterations or additions. Before commencing any work in connection with such alterations or additions, the Lessee shall furnish the Lessor with certificates of insurance from all contractors performing labor or furnishing materials insuring the Lessor against any and all liabilities which may arise out of or be connected in any way with said additions or alterations. The Lessee shall pay the cost of all such alterations and additions and the cost of decorating the premises occasioned by such alterations and additions. Upon completing any alterations or additions, the Lessee shall furnish the Lessor with contractor's affidavits and full and complete sets of receipted bills showing payment for all labor and materials expended and used. All alterations and additions shall comply with all insurance requirements and with all ordinances and regulations of the City of Chicago or any department or agency thereof and with the requirements of all statutes and regulations of the State of Illinois or of any department or agency thereof. All alterations and additions shall be constructed in a good and workmanlike manner and only good grades of materials shall be used. Such alterations and additions shall permit the Lessor to supervise construction operations in connection with alterations or additions if the Lessor requests to do so. All additions, hardware, non-trade fixtures and all improvements, temporary or permanent, in or upon the premises, whether placed there by the Lessee or by the Lessor, shall, unless the Lessor requests their removal, become the Lessor's property and shall remain upon the premises at the termination of this lease by lapse of time or otherwise without compensation or allowance or credit to the Lessee. If, upon the Lessor's request, the Lessee does not remove said additions, hardware, non-trade fixtures and improvements, or any thereof, the Lessee shall, upon demand, pay the cost of such removal to the Lessor upon demand. If the Lessee does not remove the Lessee's furniture, machinery, trade fixtures and all other items of personal property of every kind and description from the premises prior to the end of the term, however ended, the Lessee shall be conclusively presumed to have conveyed the same to the Lessor under this lease as a bill of sale without further payment or credit by the Lessor to the Lessee.

11. Use of Premises: (a) The Lessee shall occupy and use the premises during the term for the purposes above specified and none other; (b) the Lessee shall not exhibit, sell or offer for sale on the premises or in the Building any article prohibited by any of the Lessor's insurance policies or which may be dangerous to life, limb or property, or which may invalidate or increase the premium cost of any policy of insurance carried on the Building or covering its operations; (c) the Lessee shall not display, inscribe, paint, paint, maintain or affix on any place in or about the Building any sign, notice, legend, direction, figure or advertisement, except on the premises and on the Building Directory Boards, and then only such name or names and matter, and in such color, size, style, place and manner, as shall first have been approved by the Lessor in writing; (d) the Lessee shall not advertise the business, profession or activities of the Lessee conducted in the Building in any manner which violates the letter or spirit of any code of ethics adopted by any recognized association or organization pertaining to such business, profession or activities, and shall not use the name of the Building for any purpose other than that of business address of the Lessee, and shall not use any picture or likeness of the Building in any circular, notice, advertisement or correspondence without the Lessor's express consent in writing. Any violation of this paragraph may be restrained by injunction; (f) the Lessee shall not obstruct, or use for storage, or for any purpose other than ingress and egress, the sidewalks, entrances, passages, courts, corridors, vestibules, halls, elevators and stairways of the Building; (g) no bicycle or other vehicle and no dog or other animal or bird shall be brought or permitted to be in the Building or any part thereof; (h) the Lessee shall not make or permit any noise or odor that is objectionable to other occupants of the Building or neighboring premises, and shall not create or maintain a nuisance thereon, and shall not disturb, solicit or canvass any occupant of the Building, and shall not do any act tending to injure the reputation of the Building; (i) the Lessee shall not install any radio antenna, loudspeaker or other musical instrument, or radio or television set in the Building, or any antennae, aerial wires or other equipment inside or outside the Building, without, in each and every instance, prior approval in writing of the Lessor. The use thereof, if permitted, shall be subject to control by the Lessor to the end that others shall not be disturbed or annoyed; (j) the Lessee shall not place or permit to be placed any article of any kind whatsoever on any window ledge or on any exterior wall, and shall not throw or permit to be thrown or dropped any article from any window of the Building; (k) the Lessee shall not undertake to regulate any thermostat, and shall not waste water by tying, propping or otherwise fixing any faucet; (l) no additional locks or similar devices shall be attached to any door or window. No keys for any door other than those provided by the Lessor shall be made. If more than two keys for one lock are furnished by the Lessor, the Lessee may provide the same upon payment by the Lessee. Upon termination of this lease or of the Lessee's possession the Lessee shall surrender all keys of the premises and shall make known to the Lessor the combination of all combination locks on safes, cabinets and vaults; (m) the Lessee shall be responsible for the locking of doors and the closing of transoms and windows in and to the premises. Any damage resulting from neglect of this clause shall be borne by the Lessee; (n) before the Lessee denies telegraphic, telephonic, burglar alarm or signal service, the Lessor will, upon request, direct where and how connections and all wiring for such service shall be introduced and run. Without such direction no boring, cutting or installation of wires or cables is permitted; (o) if the Lessee desires and the Lessor permits blinds, shades, awnings, or other form of inside or outside window covering, or window ventilators or air conditioning, they shall be furnished, installed and maintained at the expense of the Lessee and must be of such shape, color, material and make as approved by the Lessor; (p) all persons entering or leaving the Building between the hours of 6 p. m. and 8 a. m., Monday through Friday, or at any time on Saturdays, Sundays or Holidays, may be required to identify themselves to a watchman or may be registration or otherwise and to establish their rights to enter or leave the Building. The Lessor may exclude or expel any peddler, solicitor or beggar at any time; (q) the Lessee shall not occupy or use, or permit any portion of the premises to be occupied or used for the storing, manufacturing or selling of liquor or narcotics or for any immoral or unlawful purpose; (r) the Lessee shall not lodge or sleep in the premises and shall not permit any portion of the premises to be occupied as sleeping apartments or living apartments; (s) the Lessee shall not use or occupy the premises in violation of the certificate of occupancy issued for the Building, and the Lessee shall, upon five days' notice from the Lessor, discontinue any use of the premises which is declared by any department or bureau of the City of Chicago having jurisdiction to be a violation of the certificate of occupancy for the Building. This lease shall not be affected in any way by any such notice to the Lessee or by the Lessee's discontinuance of the use specified in the notice; (t) the Lessee shall not install any vending machines of any kind or character whatsoever in the premises without the Lessor's prior written consent. Such machines as may be permitted shall be serviced only during such hours as the Lessor may designate; (u) the Lessee shall not use the premises in any manner that will tend to create waste or a nuisance or shall tend to disturb other occupants of the Building; (v) the Lessee shall not use any method of heating or air conditioning other than that supplied by the Lessor; (w) the Lessee shall not use or keep in the premises or the Building any kerosene, gasoline or flammable or combustible fluid or material other than limited quantities thereof reasonably necessary for the operation or maintenance of office equipment. The Lessee shall not use any method of boiling, heating or air conditioning other than that supplied by the Lessor; (x) the Lessee shall not use any manner any substances which might impair the reputation of the Building or its appearance from the exterior. The Lessee shall not permit any portion of the premises to be used for the manufacture of goods or property intended for sale under a system of manufacture commonly known as "sweatshop" or which shall include the performance of work or labor which is customarily performed in tenement houses; (y) the Lessee shall not use any illumination other than electric light, or use or permit to be brought into the Building any inflammable oils or fluids such as gasoline, kerosene, naphtha and benzine, or any explosives or other articles deemed extra hazardous to life, limb or property; (z) the Lessee shall not make or allow anything to be affixed or set near the glass of partitions or doors of the premises which may diminish the light in, or be unsightly from, halls or exteriors; (1) the Lessee shall not install in the premises any equipment which uses a substantial amount of electricity without the written consent of the Lessor. The Lessee shall ascertain from the Lessor the maximum amount of electrical current which can safely be used in the demised premises, taking into account the capacity of the electric wiring in the Building and the premises and the needs of other tenants in the Building and shall not use more than such safe capacity. The Lessor's consent to the installation of electric equipment shall not relieve the Lessee from the obligations set to use more electricity than such safe capacity. The Lessee shall be liable to the Lessor for all damages resulting from a violation of any of the provisions of this paragraph (1) of Section 11. (m) The Lessee shall not lay linoleum or other similar floor covering so that such floor covering shall come in direct contact with the floor of the premises, and if linoleum or other similar floor covering is used, an interliner of builder's deadening felt shall first be affixed to the floor by paste or other material soluble in water. The use of cement or other similar material is prohibited; (v) in addition to all other liabilities for breach of any covenant of this Section 11, the Lessee shall be liable to the Lessor for all damage caused by any such breach and shall also pay to the Lessor an amount equal to any increase in insurance premium or premiums caused by such breach.

12. Repairs: Subject to the provisions of Section 13 the Lessor shall, at the Lessee's own expense, keep the premises in good order, condition and repair during the term, including the replacement of all broken glass with glass of the same size and quality, with signs thereon, under the supervision and with the approval of the Lessor. If the Lessee does not make repairs promptly and adequately, the Lessor may, but need not, make repairs, and the Lessee shall pay promptly the cost thereof. At any time or times, the Lessor, either voluntarily or pursuant to governmental requirements, may, at the Lessor's own cost and expense, alter, renovate or improve the Building or the premises or any part thereof, including the premises, and, during operations, may close entrances, doors, corridors, elevators or other facilities, all without any liability to the Lessee by reason of interference, inconvenience or annoyance. The Lessor shall not be liable to the Lessee for any expense, injury, loss or damage resulting from work done in or upon, or the use of, any adjacent or nearby building, land, street or alley. The Lessee shall pay the Lessor for overtime and for any other expense incurred in event repairs, alterations, decorating or other work in the premises are not made during ordinary business hours at the Lessee's request.

13. Untenantability: If the premises or the Building are made untenantable by fire or other casualty, the Lessor may elect (a) to terminate the lease as of the date of the fire or casualty by notice to the Lessee within thirty days after that date, or (b) to repair, restore or rehabilitate the Building or the premises with all reasonable speed, and notify the Lessee within two hundred twenty days after the Lessee is enabled to take possession of the injured premises and undertake reconstruction or repairs, in which latter event the lease shall not terminate but rent shall be abated on a per diem basis while the premises are untenantable. If the Lessor elects so to repair, restore or rehabilitate the Building or the premises and does not substantially complete the work within the two hundred twenty day period, either party may terminate the lease as of the date of the fire or casualty by notice to the other party not later than one hundred thirty days after the Lessor is enabled to take possession of the injured premises and undertake reconstruction or repairs. In the event of termination of the lease pursuant to Section 13, rent shall be apportioned on a per diem basis and be paid to the date of the fire or casualty.

14. Eminent Domain: If the Building, or any portion thereof which includes a substantial part of the premises, shall be taken or condemned by any competent authority for any public use or purpose, the term of this lease shall end upon, and not before, the date when the right to possession of the Lessee or the Lessor shall be required for such use or purpose, and without apportionment of the award. Current Rent shall be apportioned as of the date of such termination. If any condemnation proceeding shall be instituted in which it is sought to take or damage any part of the Building, or the lease under it, or if the grade of any street or alley adjacent to the Building is changed by any competent authority and such change of grade makes it necessary or desirable to remodel the Building to conform to the changed grade, the Lessor shall have the right to cancel this lease upon not less than ninety days' notice prior to the date of cancellation designated in the notice. No money or other consideration shall be payable by the Lessor to the Lessee for the right of cancellation and the Lessee shall have no right to share in the condemnation award or in any judgment for damages caused by the change of grade.

15. Lessor's Remedies: All rights and remedies of the Lessor herein enumerated shall be cumulative, and none shall exclude any other right or remedy allowed by law.

(a) If any voluntary or involuntary petition or similar pleading under any section or sections of any bankruptcy act shall be filed by or against Lessee, or any voluntary or involuntary proceeding in any court or tribunal shall be instituted to declare Lessee insolvent or unable to pay Lessee's debts, then and in any such event Lessor may, if Lessee so elects but not otherwise, and with or without notice of such election, and with or without entry or other action by Lessor, forthwith terminate this lease, and, notwithstanding any other provisions of this lease, Lessor shall forthwith upon such termination be entitled to recover damages in an amount equal to the then present value of the rent specified in Section 1 of this lease for the residue of the stated term hereof, less the fair rental value of the premises for the residue of the stated term.

(b) If the Lessee defaults in the payment of rent or in the prompt and full performance of any provision of this lease, or if the leasehold interest of the Lessee be levied upon under execution or be attached by process of law, or if the Lessee makes an assignment for the benefit of creditors or if a receiver be appointed for any property of the Lessee, or if the Lessee abandons the premises, then and in any such event the Lessor may, if the Lessor so elects but not otherwise, and with or without notice of such election and with or without any demand whatsoever, either forthwith terminate this lease and the Lessee's right to possession of the premises, or without terminating the lease, forthwith terminate the Lessee's right to possession of the premises.

(c) Upon any termination of this lease, whether by lapse of time or otherwise, or upon any termination of the Lessee's right to possession without termination of the lease, the Lessee shall surrender possession and vacate the premises immediately, and deliver possession thereof to the Lessor, and hereby grants to the Lessor full and free license to enter into and upon the premises in such event with or without process of law and to repossess the Lessor of the premises as of the Lessor's former estate and to expel or remove the Lessee and any others who may be occupying or within the premises and to remove any and all property therefrom, using such force as may be necessary, without being deemed in any manner guilty of trespass, eviction or forcible entry or detainer, and without relinquishing the Lessor's right to rent or any other right given to the Lessor hereunder or by operation of law. The Lessee expressly waives the service of any demand for the payment of rent or for possession and the service of any notice of the Lessor's election to terminate the lease or to reenter the premises, including any and every form of demand and notice prescribed by any statute or other law, and agrees that the simple breach of any covenant or provision of this lease by the Lessee shall, without the service of any notice or demand whatsoever, constitute a forcible detainer by the Lessee of the demised premises with the meaning of the statutes of the State of Illinois.

(d) If the Lessee abandons the premises or otherwise entitles the Lessor so to elect, and the Lessor elects to terminate the Lessee's right to possession only, without terminating the lease, the Lessor may, at the Lessor's option, enter into the premises, remove therefrom the Lessee's property and other evidences of tenancy, and take and hold possession thereof as in Paragraph (c) of this Section 15 provided, without such entry and possession terminating the lease or releasing the Lessee, in whole or in part, from the Lessee's obligation to pay the rent hereunder for the full term, and in any such case the Lessee shall pay forthwith to the Lessor a sum equal to the entire amount of the rent specified in Section 1 of this lease for the residue of the stated term hereof, plus any other sums which are then due and unpaid hereunder. Upon such entry and possession without termination of the lease, the Lessor may, but need not, relet the premises or any part thereof for the account of the Lessee to any person, firm or corporation other than the Lessee for such rent, for such term and upon such terms as the Lessor in the Lessor's sole discretion shall determine, and the Lessor shall not be required to accept any tenant offered by the Lessee or be responsible for any failure to relet the premises or any part thereof or for any failure to collect any rent due upon such reletting. No such entry or possession by the Lessor shall be construed to constitute an election on the Lessor's part to terminate this lease or to relieve the Lessee of any obligation hereunder, all of such obligations hereby being preserved and continued. The Lessor may make repairs, alterations and additions in or to the premises, and redecorate the same to the extent deemed by the Lessor necessary or desirable, and the Lessee shall upon demand, pay the cost thereof, together with the Lessor's expenses of the reletting. If the consideration collected by the Lessor upon any such reletting for the Lessee's account is not sufficient to pay monthly the full amount of the rent reserved in this lease, together with the costs of repairs, alterations, additions, redecorating and the Lessor's expenses, the Lessee shall pay to the Lessor the amount of each monthly deficiency upon demand, and if the consideration so collected from any such reletting is more than sufficient to pay the full amount of the Lessor's rent reserved herein, together with the costs and expenses of the Lessor, the Lessor, at the end of the stated term of the lease, shall account to the Lessee for the [redacted]

[redacted] attorney of the Lessee, and, in the same, place and stead of the Lessee, to appear for and on behalf of the Lessee in any court of record at any time in any suit or suits brought against the Lessee for the enforcement of any [redacted] hereunder by the Lessor, and to waive the issuance and service of process and trial by jury, and, from time to time, to confess judgment or judgments in favor of the Lessor and against the Lessee for any rent and [redacted] thereon due hereunder by the Lessee to the Lessor and for costs of suit and for a stipulation [redacted] of the Lessee to be fixed by the court, and to release all errors that may occur or intervene in such proceedings, including the issuance of execution upon any such judgment, and to stipulate that no appeal shall be taken from such judgment or judgments, or that no proceedings in chancery or otherwise shall be prosecuted [redacted] and to release all errors relating to such proceedings, and to consent that execution upon any such judgments or any [redacted] thereof or with any supplemental proceedings taken by the Lessor to collect the amount or any part thereof, may issue forthwith, and that execution on any judgment or decree in favor of the Lessor against the Lessee [redacted]

(f) Any and all property which may be removed from the premises by the Lessor pursuant to the authority of the lease or of law, to which the Lessee is or may be entitled, may be handled, removed or stored by the Lessor at the risk, cost and expense of the Lessee, and the Lessee shall in no event be responsible for the value, preservation or safekeeping thereof. The Lessee shall pay to the Lessor, upon demand, any and all expenses incurred in such removal and all storage charges against such property so long as the same shall be in the Lessor's possession or under the Lessor's control. Any such property of the Lessee not removed from the premises or retaken from storage by the Lessee within thirty days after the end of the term, however terminated, shall be conclusively deemed to have been forever abandoned by the Lessee.

(g) The Lessee shall pay upon demand all the Lessor's costs, charges and expenses, including the fees of counsel, agents and others retained by the Lessor, incurred in enforcing the Lessee's obligations or incurred by the Lessor in any litigation, negotiation or transaction in which the Lessee causes the Lessor, without the Lessor's fault, to become involved or compelled to.

16. Subordination of Lease: The rights of the Lessee under this lease shall be and are subject and subordinate at all times to the lien of any mortgage or mortgages now or hereafter in force against the Building or the underlying land or estate, if any, and to all advances made or hereafter to be made upon the security thereof, and the Lessee shall execute such further instruments subordinating this lease to the lien or liens of any such mortgage or mortgages as shall be requested by the Lessor. The Lessee hereby irrevocably appoints the Lessor as attorney-in-fact for the Lessee with full power and authority to execute and deliver in the name of the Lessee any such instrument or instruments.

17. Notices: In every instance where it shall be necessary or desirable for the Lessor to serve any notice or demand upon the Lessee, it shall be sufficient for the Lessor to deliver or cause to be delivered to the Lessee a written or printed copy thereof, or (b) to send a written or printed copy thereof by United States registered mail, postage prepaid, addressed to the Lessee at the demised premises, in which event the notice or demand shall be deemed to have been served at the time the copy is posted, or (c) to leave a written or printed copy thereof in or upon the demised premises or with the Lessee or with any person in charge of the premises, in which event the notice or demand shall be deemed to have been served at the time the copy is left or affixed. All notices or demands shall be in behalf of the Lessee or the Lessor.

18. Miscellaneous: (a) No receipt of money by the Lessor from the Lessee after the termination of this lease or after the service of any notice or after the commencement of any suit, or after final judgment for possession of the premises shall reinstate, continue or extend the term of this lease or affect any such notice, demand or suit.

(b) No waiver of any default of the Lessee hereunder shall be implied from any omission by the Lessor to take any action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the express waiver and then only for the time and to the extent therein stated. The invalidity or unenforceability of any provision hereof shall not affect or impair any other provision.

(c) As the sense of fraud, or person, the word "Lessor" shall include the Lessor, successors and assigns, respectively, thereof, executing this lease as agent, trustee or in any other representative capacity shall ever be deemed to bind individually liable hereunder any such person or any beneficiary under any trust.

(d) The words "Lessor" and "Lessee" wherever used in this lease shall be construed to mean Lessor or Lessee in all cases where there is more than one lessor or lessee and whether or not gender is appropriate.

(e) The Lessor shall have the right to terminate this lease on the thirtieth day of April in any year if the Lessor proposes or is required, for any reason, to remodel, renovate or demolish the Building or any substantial portion of it, or if the Lessor decides to sell the Building and the land under it, or if the Lessor's stockholders decide to sell sixty-six and two-thirds per cent of the Lessor's capital stock (if the Lessor is a corporation), or if the Lessor decides to convert the prime leasehold (if any), or to make a ground lease, or to lease to one tenant for a term of ten years or more either all the Building or all the Building except the ground floor. Such election shall be made by the Lessor giving to the Lessee notice of the Lessor to the Lessee not less than ninety days prior to the thirtieth day of April fixed in the notice. No money or other consideration shall be payable by the Lessor to the Lessee for the right of cancellation hereby reserved to the Lessor and the Lessee shall have no right to share in the condemnation award or in any judgment for damages caused by the change of grade.

(f) Provisions inserted herein or affixed hereto shall not be valid unless appearing in the duplicate original hereof held by the Lessor. In the event of any variation or discrepancy, the Lessor's duplicate shall control.

(g) Each provision hereof shall extend to and shall, as the case may require, bind and inure to the benefit of the Lessor and the Lessee and their respective heirs, legal representatives and successors, and assigns in the event this lease has been assigned in accordance with the covenants of the Lessee.

(h) Submission of this instrument for examination does not constitute a reservation of or option for the premises. The instrument becomes effective as a lease upon execution and delivery by the Lessor and the Lessee.

(i) All amounts (other than Rent) owed by the Lessee to the Lessor hereunder shall be paid within ten days from the date of the Lessor's statement therefor and shall bear interest at the rate of 7% per annum from the date thereof until paid.

(j) Provisions typed on the back of this lease and signed by the Lessor and the Lessee and all riders attached to this lease and signed by the Lessor and the Lessee are hereby made a part of this lease as though inserted in this lease.

(k) If the Lessee shall occupy the premises prior to the beginning of the term of this lease with the Lessor's consent, all the provisions of this lease shall be in full force and effect as soon as the Lessee occupies the premises. Rent for any period prior to the beginning of the term of this lease shall be at the rate of [redacted]

15. The Lessee agrees not to exhibit, sell or offer for sale in the demised premises any of the following: drugs, toilet articles and preparations, candy, ice cream, soda water, soft drinks, alcoholic liquors, cigars, cigarettes, tobacco or smoker's articles; nor to use the demised premises for the sale and service of food or drinks. The Lessors may obtain injunctive relief against the violation of this provision without waiving any other provision of this lease. Sporadic sales by doctor, dentist and barber tenants of said building or sales by them incidental to their occupation, of drugs, toilet articles and preparations shall not be considered contrary to this lease.

20. It is understood and agreed that either party may cancel this lease on the last day of any month of the term hereof by giving to the other party not less than thirty (30) days prior written notice of intention so to cancel.

21. It is understood by and between the parties that the rental cost provided for in this lease will be payable solely from Federal Funds except as otherwise provided when and if made available for the Federal Government. If said funds are not made available as a result, Lessee defaults in the payment of any sums required to be paid under this lease, then the provisions of the Guaranty shall provide for the payment of the rent.

This lease is made by the Trustee Lessors and accepted by Lessee upon the express understanding that the Trustee Lessors enter into the same not personally but only as such Trustees and that no personal liability is assumed by nor shall be asserted or enforced against the Trustee Lessors because or on account of the making of this lease or of anything herein contained, all such liability, if any, being expressly waived by Lessee; nor shall the Trustee Lessors be held personally liable in consequence of any of the covenants of this lease, either expressed or implied, and no duty shall rest upon the Trustee Lessors to equester the trust property or the rents, issues and profits arising therefrom, or the proceeds arising from any sale or other disposition thereof.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed under their seals on the date first above written.

On this form or an attached form shall be shown the number of other persons entering the premises on either complimentary, executive, staff, employee, service, performer or exhibitor type admission; however, reasonable allowance shall be made for visiting dignitaries or special admissions such as messengers, guards etc. or musical or parade organizations, or members of the Armed Forces of the United States or other countries.

Such turnstile count shall be immediately available to a responsible executive or officer or duly authorized person of the Fire Department, Building Department or Port Director's staff for purposes of determining the number of persons then on the premises for reasons of safety or security.

48. Lessee hereby expressly waives any and all claims for compensation for any and all loss or damages sustained by reason of any defect, deficiency or impairment of the electrical and plumbing installations or any part thereof furnished for the premises hereby granted, or by reason of any loss or impairment of light or current or water which may occur from any cause, or for any loss or damage sustained by the Lessee resulting from fire, water, wind, and specifically from leaks in roof or skylights or doors caused by rainfall or other causes, civil commotion, riots or labor strikes; and the Lessee hereby expressly waives all rights, claims and demands, and forever releases and discharges the said Lessor or its officers and agents from any and all demands, claims, actions and causes of action arising from any of the causes aforesaid or in any manner whatsoever.

49. 50. Lessee hereby expressly waives any and all claims for compensation for any and all loss or damages sustained by reason of any interference by any public agency or official acting in the performance of their official duties, in the operation of the Navy Pier, however, such interference shall not relieve the Lessee from any obligations hereunder.

51. Lessee agrees that nothing herein contained shall create or be construed as creating a copartnership between the Lessor or any department or employee of the Lessor and the Lessee or to constitute the Lessee as agent of the Lessor or any department or employee of the Lessor.

52. Lessee agrees that within not less than ten (10) days prior to the opening date of the Lessee's show under this lease, the Lessee shall furnish the Lessor policies of insurance written by insurance companies to be approved by the Port Director and in the amounts required by Lessor, insuring Lessor against any and all claims for damage, death, injury and loss to persons and property, and against any and all suits or actions on account of any of the same that may be filed against the Lessor and each and every member, department and employee of the City of Chicago, or the Lessor as a result of this final rental agreement and any occupancy or use of the premises under this rental agreement. Such concession operator shall operate and control check rooms or baggage rooms and charge a fee for this service as may be deemed reasonable by the Port Director.

36. The Lessee shall not be entitled to any fee or sum of money from either the City of Chicago or the operator of concessions from any part of concessions operated in area aforesaid described by Code of the City of Chicago, Section 38-4.

37. Certain areas as the Port Director shall designate to be used as access to and egress from public rooms such as toilet facilities, entrances to or from restaurant or concession facilities, must not be used by the Lessee, or the exhibitors who lease from Lessee.

38. The Lessee does hereby agree that all vendors, contractors or suppliers, or personnel or prospective personnel, or labor of any Lessee or contractor or concession operator of the City of Chicago that uses or otherwise engaged in or transacting business in and about Navy Pier—or its environments including vehicles of all types—including water craft of any type—shall have free and easy access to and from either their leased or construction areas, at any and all times, including priority to service any such Lessee or contractor.

39. The Lessor reserves the right and privilege to do such work as may be necessary for repairs, renovation, re-building or remodeling or perform such work as the Lessor may deem as necessary during the tenure of this agreement without consent of Lessee including any new construction work, either by an agency of the City of Chicago, or other governmental agency, or by outside contractor; and shall have free and easy access to and from such necessary areas at all times for all such personnel or prospective personnel or labor and all types of vehicles or water craft of any type either of City of Chicago or such agency or contractor or supplier or vendor, or sub-contractor as may be necessary including marine contractors or builders.

The same basis for collecting the City of Chicago three per cent (3%) shall apply to any "package" type of ticket that may be sold or given away by Lessee or agents of Lessee, this pertaining in particular to "tie-in" sale of space to exhibitor or other persons or parties of any other nature whatsoever, either paid for or given away by Lessee or other persons.

If and as soon as any other tickets are printed or used, the Lessee shall furnish a similar verified statement with respect thereto. A facsimile of each type and kind of ticket to be issued by the Lessee shall be submitted to the Port Director for his approval at least thirty (30) days prior to the time any ticket is offered for sale or dis-

tribution by the Lessee, or at the time of the execution of this agreement by the Lessee, whichever is the later.

44. If the premises or any part thereof are used for paid admission type of show, at the close of each day's performance of show, or at the end of each day, the Port Director or his representative shall be present to certify the official Box office or ticket treasurer's daily report and shall be furnished at least three copies of the box office ticket report form sheet duly certified by an accredited representative of Lessee and the box office treasurer. On this form or an attached form shall be shown the number of other persons entering the premises on either complimentary, executive, staff, employee, service, performer or exhibitor type admission; however, reasonable allowance shall be made for visiting dignitaries or special admissions such as messengers, guards etc. or musical or parade organizations, or members of the Armed Forces of the United States or other countries.

45. The City of Chicago shall approve of the number and form of complimentary, press, etc., or free tickets that may be distributed—and the City of Chicago shall be entitled to such a number of such complimentary tickets as may be deemed necessary by the Port Director, such number shall not exceed fifteen percent (15%) of the number of free or complimentary tickets printed or made up by the Lessee or his agents. No exhibitor or concessionaire of Lessee shall issue any tickets either for admission or concession purposes, except with written approval of the Port Director.

46. All forms and types of credentials, identification cards or badges or ribbons or buttons that may be used to gain entrance to show, exhibition or fair, either by executives, staff members, employees of either the Lessee or his agents, exhibitors or operators of amusement enterprises, or performers, or any other person, or members of the press, radio or television or official photographers, shall be approved by the Port Director as to number and form.

47. If admission is charged for entrance to show or exhibition or fair, there shall be self counting turnstiles installed at entrance thereto and all persons permitted to gain entrance thereby, either as executive, staff, employee, exhibitor or performer or any other reason—including paid or complimentary admission, shall pass through such turnstile. Such turnstile count shall be immediately available to a responsible executive or officer or duly authorized person of the Fire Department, Building Department or Port Director's staff for purposes of determining the number of persons then on the premises for reasons of safety or security.

48. Lessee hereby expressly waives any and all claims for compensation for any and all loss or damages sustained by reason of any defect, deficiency or impairment of the electrical and plumbing installations or any part thereof furnished for the premises hereby granted, or by reason of any loss or impairment of light or current or water which may occur from any cause, or for any loss or damage sustained by the Lessee resulting from fire, water, wind, and specifically from leaks in roof or skylights or doors caused by rainfall or other causes, civil commotion, riots or labor strikes; and the Lessee hereby expressly waives all rights, claims and demands, and forever releases and discharges the said Lessor or its officers and agents from any and all demands, claims, actions and causes of action arising from any of the causes aforesaid or in any manner whatsoever.

49. Lessee agrees that no performance, exhibition, or entertainment shall be given or held on the Navy Pier which are illegal, indecent, obscene, lewd, immoral or in any manner publicly offensive, then said Port Director shall have the right to demand of Lessee that he immediately delete such portions of the production as are subject to such criticism, or to rewrite or have changed the said attraction so that it will not be publicly offensive, and the Lessee agrees immediately upon receipt by it of such notice to make the required changes and deletions.

50. Lessee hereby expressly waives any and all claims for compensation for any and all loss or damages sustained by reason of any interference by any public agency or official acting in the performance of their official duties, in the operation of the Navy Pier, however, such interference shall not relieve the Lessee from any obligations hereunder.

51. Lessee agrees that nothing herein contained shall create or be construed as creating a copartnership between the Lessor or any department or employee of the Lessor and the Lessee or to constitute the Lessee as agent of the Lessor or any department or employee of the Lessor.

52. Lessee agrees that within not less than ten (10) days prior to the opening date of the Lessee's show under this lease, the Lessee shall furnish the Lessor policies of insurance written by insurance companies to be approved by the Port Director and in the amounts required by Lessor, insuring Lessor against any and all claims for damage, death, injury and loss to persons and property, and against any and all suits or actions on account of any of the same that may be filed against the Lessor and each and every member, department and employee of the City of Chicago, or the Lessor as a result of this final rental agreement and any occupancy or use of the premises under this rental agreement. In no event shall public liability insurance be less than $100,000.00 on account of injury or death to one person, and $300,000.00 on account of multiple injuries or death, nor less than $25,000.00 on account of loss or damage to property. All such policies of insurance shall be accompanied by receipts showing payment of premiums in full.

53. The Lessee shall not transmit a description of any portion of its operation by means of radio broadcasting or television without first having received permission to do so from the Port Director.

54. The Lessor reserves the right to cancel this agreement if the Lessee shall be engaged in advocating perversion of, or resistance to Local, State and Federal Laws, or be identified with communistic organizations, or organizations advocating resistance to our form of government, and the return of any deposit made shall settle all alleged claims the Lessee may have against the City of Chicago thereby.

55. No alterations, variations, or additions in or to the terms of this contract shall be valid unless in writing and signed by the parties hereto.

9.2-1 Preamble—C1-1 to C1-5 Restricted Commercial Districts. The C1-1 to C1-5 Restricted Commercial Districts are designed primarily to accommodate such uses as enclosed automotive sales and small scale production which was required at strategic locations throughout the city to serve residential, business and manufacturing areas, but which are not compatible with uses permitted in Residence or Business Districts nor of such magnitude or character as to be restricted to Manufacturing Districts.

Restricted Commercial Districts are mapped typically in proximity to Restricted Retail Districts, and business, commercial and manufacturing establishments are limited to a maximum floor area of [18,750] *21,875* square feet each so as to limit the volume of pedestrian and vehicular traffic in and about these commercial centers to a level consistent with their function and locations.

The C4 Motor Freight Terminal District is designed to accommodate large-scale trucking operations involving intrastate motor carriers, which activities are incompatible with the great majority of other land uses and so are most suitabily placed in a special zoning district mapped in strategic locations for efficient co-ordination with the city's planned street and thoroughfare system.

SECTION 4. That Sections 10.2, 10.2-1, and 10.2-2 of Chapter 194A of the Municipal Code of Chicago, the Chicago Zoning Ordinance, hereby are amended by deleting therefrom certain language, as contained in brackets below, and by adding certain language, in Italic below, as follows:

St. Patrick's Day in City, March 17, 1969, Proclaimed Day of Commemoration.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution:

WHEREAS, The feast day of St. Patrick, patron saint of Ireland and the Irish, is observed annually on the 17th day of March; and

WHEREAS, St. Patrick brought with him a faith, moral order and culture which have endured to this day, enriching the people of Ireland and traveling with them wherever they have moved throughout the world; and

WHEREAS, The people of Ireland, through years of suffering and oppression, retained with wit and courage a stubborn sense of independence which they brought to this country and which is now woven securely into the fabric of American life; and

WHEREAS, St. Patrick's Day has thereby become a holiday not only of the Irish, but of all Americans who, cherishing freedom themselves, are pleased to celebrate a free spirit in others; and

WHEREAS, We, in the City of Chicago, where there is no "law agin the wearin' o' the Green," think it proper for St. Patrick's Day to be recognized by all people, whether they are Irish for that day only, or Irish always; now, therefore,

Be It Resolved, By the Mayor and members of the City Council of the City of Chicago, in meeting assembled this 14th day of March, A. D. 1969, that March 17, 1969, St. Patrick's Day, is hereby declared a day of commemoration in the City of Chicago and further, that all citizens are hereby invited and urged to participate in the great parade marking the celebration to take place this forthcoming 17th day of March, 1969.

Be It Further Resolved, That all departments of city government, except for those personnel who are required to carry on emergency services, be excused from duty from 12:00 Noon, in order to participate in the parade and the festivities honoring St. Patrick.

Three Ordinances Amended Authorizing Issuance of General Obligation Bonds for Municipal Buildings, Public Transportation and Sewer Bond Issues.

Honorable Richard J. Daley, Mayor, submitted the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

March 14, 1969.

To the Honorable, The Members of the City Council of the City of Chicago:

GENTLEMEN—I transmit herewith for your consideration proposed ordinances amending Section 4 of the ordinances heretofore adopted on November 15, 1967.

The essence of the proposed amendments is to permit the City to market bonds at the "lowest net interest cost to the City". The existing language of Section 4 merely sets out the requirement that the bonds be sold at the "maximum rate of five percent (5%) per annum". The amendments, therefore, will permit the bonds to be sold at a discount while retaining the maximum rate of five percent.

These amendments are submitted pursuant to the suggestions of the law firm of Chapman and Cutler and are concurred in by the Corporation Counsel and the City Comptroller of the City of Chicago.

Your favorable consideration is requested.

Very truly yours,

(Signed) RICHARD J. DALEY,

Mayor.

AN ORDINANCE

Amending Section 4 of "An Ordinance authorizing the issue of $21,000,000 Municipal Building Bonds of the City of Chicago and providing for the levy of taxes for the payment thereof".

WHEREAS, On the 15th day of November, 1967, the City Council of the City of Chicago adopted an ordinance authorizing the issue of $21,000,000 Municipal Building Bonds of said City and providing for the levy of taxes to pay the same; and

WHEREAS, In and by Section 4 of said ordinance the City Comptroller was authorized to advertise for proposals for the purchase of said bonds and that the advertisement should provide that the bonds offered for sale shall bear interest not to exceed the rate set forth in the ordinance, and that the bonds so offered would be awarded by the City Comptroller to the purchaser offering to purchase the bonds at the lowest net interest cost to the City, provided that the acceptable bidder shall offer to pay not less than par and accrued interest for the bonds; and

WHEREAS, The ordinance authorizing the issuance of said bonds provided that the bonds bear interest at the maximum rate of five per cent (5%) per annum, which was the maximum rate of interest authorized for said bonds at the election held when a majority of the electors voting on the question approved such bonds; and

WHEREAS, Money market conditions throughout the United States have materially changed since such election was held, interest rates having increased upon all types of securities, even to the extent of affecting the millions of dollars of outstanding United States Government Bonds, and drastically decreasing the market value of millions of dollars of bonds of municipalities that have been voted bearing a fixed maximum rate of interest; and

WHEREAS, The City Comptroller has found after advertising for the sale of a part of the bonds authorized by said ordinance that no bids were submitted and that the sale of said bonds at this time is impossible and that the bonds cannot be sold at a price of par; and

WHEREAS, The City Comptroller proposes to give extensive publicity to the sale of said bonds in the Chicago's American, a newspaper published and having a general circulation in the City of Chicago, and in The Bond Buyer, a financial newspaper published in the City of New York, New York, so as to determine the market value of the bonds, and to accept the best bid for said bonds whether such bid is at par or at a discount; and

WHEREAS, The work is in progress for which said bonds were authorized and it is imperative that the bonds be sold from time to time in order to produce the funds necessary to carry on such work; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Section 4 of an ordinance entitled "An Ordinance authorizing the issue of $21,000,000 Municipal Building Bonds of the City of Chicago and providing for the levy of taxes for the payment thereof", adopted by the City Council of the City of Chicago on the 15th day of November, 1967, be and is hereby amended to read as follows:

Section 4. The bonds hereby authorized shall be executed as herein provided and thereupon shall be deposited for safekeeping under the direction and control of the City Comptroller and shall be sold and delivered by the City Comptroller as the proceeds are needed for the purpose for which the bonds are authorized.

The City Comptroller shall advertise for proposals to purchase said bonds; such advertisement shall be published once in the Chicago's American, being a newspaper having a general circulation in the City of Chicago, and once in The Bond Buyer, a financial newspaper published in the City of New York, such publication to be made at least ten days prior to the date when bids for the purchase of said bonds will be opened.

The advertisement for proposals shall recite that the bonds so offered will be awarded by the City Comptroller to the successful bidder offering to purchase such bonds at the lowest net interest cost to the City. If any or all of said bonds are sold at a discount such sale shall be approved by the City Council by ordinance, which will recite the amount of bonds so sold, their maturities, interest rate and the discount for each maturity. If any or all of the bonds are sold bearing a rate of interest of less than five per cent (5%) per annum, such sale shall be approved by the City Council by ordinance which will recite the amount of bonds so sold, their maturities and interest rate, and adopt an ordinance which shall set out the amount of taxes to be extended and collected so as to produce in each of such years sufficient money for the payment of interest upon such bonds at such lesser interest rate as the same becomes due. Said ordinance shall direct the County Clerk of Cook County to reduce and abate the amount of taxes hereby levied for the payment of interest upon the bonds so sold so that the amounts to be

extended and collected in each of said years for payment of interest thereon will equal the amount of such interest computed at the rate of interest less than five per cent (5%) borne by the bonds that were sold and delivered.

A certified copy of said ordinance shall be filed in the office of the County Clerk of Cook County, which shall constitute direction and authority for such reduction and abatement of taxes so levied for payment of interest on such bonds.

SECTION 2. That this ordinance shall be published within ten days after adoption and shall be in force upon its adoption and publication as by law provided.

The question next being put on the passage of the proposed ordinance amending Section 4 of the ordinance authorizing the issuance of $19,000,00 Public Transportation Bonds, the motion *Prevailed,* by yeas and nays as follows:

The following is said ordinance as passed:

AN ORDINANCE

Amending Section 4 of "An Ordinance authorizing the issue of $28,000,000 Sewer Bonds of the City of Chicago and providing for the levy of taxes for the payment thereof".

WHEREAS, On the 15th day of November, 1967, the City Council of the City of Chicago adopted an ordinance authorizing the issue of $28,000,000 Sewer Bonds of said City and providing for the levy of taxes to pay the same; and

WHEREAS, In and by Section 4 of said ordinance the City Comptroller was authorized to advertise for proposals for the purchase of said bonds and that the advertisement should provide that the bonds offered for sale shall bear interest not to exceed the rate set forth in the ordinance, and that the bonds so offered would be awarded by the City Comptroller to the purchaser offering to purchase the bonds at the lowest net interest cost to the City, provided that the acceptable bidder shall offer to pay not less than par and accrued interest for the bonds; and

WHEREAS, The ordinance authorizing the issuance of said bonds provided that the bonds bear interest at the maximum rate of five per cent (5%) per annum, which was the maximum rate of interest authorized for said bonds at the election held when a majority of the electors voting on the question approved such bonds; and

WHEREAS, Money market conditions throughout the United States have materially changed since such election was held, interest rates having increased upon all types of securities, even to the extent of affecting the millions of dollars of outstanding United States Government Bonds, and drastically decreasing the market value of millions of dollars of bonds of municipalities that have been voted bearing a fixed maximum rate of interest; and

WHEREAS, The City Comptroller has found after advertising for the sale of a part of the bonds authorized by said ordinance that no bids were submitted and that the sale of said bonds at this time is impossible and that the bonds cannot be sold at a price of par; and

WHEREAS, The City Comptroller proposes to give extensive publicity to the sale of said bonds in the Chicago's American, a newspaper published and having a general circulation in the City of Chicago, and in The Bond Buyer, a financial newspaper published in the City of New York, New York, so as to determine the market value of the bonds, and to accept the best bid for said bonds whether such bid is at par or at a discount; and

WHEREAS, The work is in progress for which said bonds were authorized and it is imperative that the bonds be sold from time to time in order to produce the funds necessary to carry on such work; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Section 4 of an ordinance entitled "An Ordinance authorizing the issue of $28,000,000 Sewer Bonds of the City of Chicago and providing for the levy of taxes for the payment thereof", adopted by the City Council of the City of Chicago on the 15th day of November, 1967, be and is hereby amended to read as follows:

Section 4. The bonds hereby authorized shall be executed as herein provided and thereupon shall be deposited for safekeeping under the direction and control of the City Comptroller and shall be sold and delivered by the City Comptroller as the proceeds are needed for the purpose for which the bonds are authorized.

The City Comptroller shall advertise for proposals to purchase said bonds; such advertisement shall be published once in the Chicago's American, being a newspaper having a general circulation in the City of Chicago, and once in The Bond Buyer, a financial newspaper published in the City of New York, such publication to be made at least ten days prior to the date when bids for the purchase of said bonds will be opened.

The advertisement for proposals shall recite that the bonds so offered will be awarded by the City Comptroller to the successful bidder offering to purchase such bonds at the lowest net interest cost to the City. If any or all of said bonds are sold at a discount such sale shall be approved by the City Council by ordinance, which will recite the amount of bonds so sold, their maturities, interest rate and the discount for each maturity. If any or all of the bonds are sold bearing a rate of interest of less than five per cent (5%) per annum, such sale shall be approved by the City Council by ordinance which will recite the amount of bonds so sold, their maturities and interest rate, and adopt an ordinance which shall set out the amount of taxes to be extended and collected so as to produce in each of such years sufficient money for the payment of interest upon such bonds at such lesser interest rate as the same becomes due. Said ordinance shall direct the County Clerk of Cook County to reduce and abate the amount of taxes hereby levied for the payment of interest upon the bonds so sold so that the amounts to be extended and collected in each of said years for

payment of interest thereon will equal the amount of such interest computed at the rate of interest less than five per cent (5%) borne by the bonds that were sold and delivered.

A certified copy of said ordinance shall be filed in the office of the County Clerk of Cook County, which shall constitute direction and authority for such reduction and abatement of taxes so levied for payment of interest on such bonds.

SECTION 2. That this ordinance shall be published within ten days after adoption and shall be in force upon its adoption and publication as by law provided.

Accordingly, I have directed the Law Department to draft new regulations and expand existing regulations which will apply to vehicles carrying combustible materials and explosives while using streets and highways within the City and to secure the cooperation of the Departments of Streets and Sanitation, Fire, and Police, toward that end.

It will be the purpose of these new regulations to assure motorists and residents alike of the greatest possible safety from dangers which may exist from the transportation of such substances through or within the City.

Court Decisions.

Also communications from the Department of Law, signed by Howard C. Goldman and Stuart Sikevitz, Assistants Corporations Counsel and Marvin E. Aspen, Head of Appeals and Review Division, informing the City Council as to court decisions in the causes noted below, which were *Placed on File:*

Dick Gregory, et al. v. City of Chicago, U. S. Supreme Court No. 60. The U. S. Supreme Court on March 10, 1969 rendered an opinion reversing the convictions of the defendants, Dick Gregory, et al. for violation of Chicago's disorderly conduct ordinance. Since the Supreme Court of Illinois had theretofore rendered an opinion affirming the convictions, the opinion of the United States Supreme Court reversed that opinion also. The defendants had been arrested, charged and convicted when they refused to cease a march (demonstration) in the vicinity of W. 35th Street and S. Lowe Avenue despite several warnings given them by the Police that their continued activity was about to cause a riot. In reversing the convictions the United States Supreme Court held that there was no evidence of disorderly conduct by the defendants and that their arrest was not for the manner of their demonstration but, rather, for refusing to obey a police order.

People ex rel. Jackson v. Ruddell, Ill. Supreme Court No. 40828. The Illinois Supreme Court handed down an opinion which quashed an original writ of habeas corpus heretofore issued. The petitioner Jackson, sought release from jail while he was working off a fine on the grounds that the provisions authorizing "working out fines" is unconstitutional since only a pauper would be subject to incarceration thereby. The Illinois Supreme Court ruled against the petitioner because the petitioner could have raised this issue in his original trial but did not do so, thereby waiving the point.

Harris Trust & Savings Bank v. City of Chicago, Illinois Appellate Court No. 52592. The Illinois Appellate Court on March 10, 1969 reversed a decree in favor of the Harris Bank which enjoined the City from enforcing the Zoning ordinance as applied to property located at Nos. 2707-2709 N. Clark Street. The decree had been rendered pursuant to the report of a Master in Chancery, to whom the case had been referred. The Plaintiff complained that the 1957 zoning ordinance was an unreasonable and capricious exercise of power, in that it zoned the subject property B3-4 whereas surrounding property was zoned B5-4. The Illinois Appellate Court held that the zoning will not be held unreasonable where there is a fair difference of opinion, "the plaintiff's proof fails to overcome the presumption of the validity of the ordinance in question as applied to the subject property. The plaintiff emphasizes that the stores . . . would be easier to rent if they could be applied to B5-4 uses. While this may be true, there is nevertheless a failure to show the present zoning is arbitrary or unreasonable or that the desired B5-4 zoning is more desirable.".

James E. Healy, Jr. v. City of Chicago, Illinois Appellate Court No. 51393. The Illinois Appellate Court on March 11, 1969 rendered an opinion reversing the judgment entered in the Circuit Court of Cook County and remanded the cause for a new trial. The jury had found for the plaintiff, James E. Healy, Jr., and judgment had been entered against the City for $20,000. The plaintiff claimed the City had negligently maintained the sidewalk at W. Belmont and N. Central Avenues; he claimed he tripped on a two-inch crack in the sidewalk at about 3:00 A.M. on December 10, 1958, suffering a broken ankle. The Illinois Appellate Court held that the trial court committed prejudicial error in not allowing into evidence a report made by an intern who treated the plaintiff.

LESSOR AND LESSEE AGREE:

1. LESSEE'S PAYMENTS. (a) Lessee shall pay rent to Lessor at the office of the Building, of the total amount of FOUR THOUSAND EIGHT HUNDRED TWENTY-FIVE and 80/100 Dollars ($ 4,825.80) in installments as follows: TWELVE (12) of FOUR HUNDRED TWO and 15/100 DOLLARS ($402.15) payable in advance on the first day of each month.

(b) All other payments due from Lessee to Lessor under this Lease shall be payable ten days after Lessor has given Lessee a written statement of the amount due.

2. SERVICES. Lessor will provide:
(a) JANITOR SERVICE as is generally furnished in similar buildings. Lessee shall not provide janitor service for the premises without obtaining Lessor's written agreement, which service shall be subject to Lessor's supervision.
(b) AIR CONDITIONING, except on Sundays and holidays, from 8 A.M. to 6 P.M., Mondays through Fridays and from 8 A.M. to 1 P.M. on Saturdays. For all purposes of this lease "air conditioning" shall be construed to include in addition to air circulation and cleaning:

ii. COOLING, which shall be furnished when in Lessor's judgment cooling is necessary for comfortable occupation of the premises.

(d) ELEVATOR SERVICE as is furnished in similar buildings.
(e) ELECTRICITY, through connections with conduits of the Commonwealth Edison Company, when and as furnished by that company to Lessor. Electricity used by Lessee shall be measured by meters supplied by Lessor, and Lessee shall reimburse Lessor for all electricity used in the premises, at the rates customarily charged in the Building for similar service.
(f) TOWEL SERVICE, at the option of Lessor, for which service Lessee shall pay the rate prevailing from time to time for like service in similar buildings in Chicago. Lessor, at its option, may discontinue towel service after ten days' written notice to Lessee, in which event Lessee may obtain towel service from other sources, subject, however, to reasonable regulations of Lessor.
(g) If during the term of this Lease the tenants of three-fourths or more of the space above the sixth floor of the Building shall cease regularly to occupy such space for business purposes on Saturdays, at Lessor's election, and after notice to the Lessee, Lessor may furnish only the air conditioning, elevator and other similar services which are customarily furnished on Sundays and Holidays.

Lessor will endeavor to continue the services mentioned in this Section 2 without interruptions, but shall not be responsible for interruptions in such services caused by repairs, additions, improvements or alterations in the Building or by any cause or event which Lessor does not control.

3. RIGHTS RESERVED BY LESSOR. Lessor may exercise the following rights and their exercise shall not affect Lessee's obligations under this lease:
(a) To change the name of the Building.
(b) To designate the sources from which Lessee may obtain ice, drinking water, towels, toilet supplies or sign and lettering services for office doors.
(c) To retain pass keys to the premises.
(d) To enter the premises at reasonable hours for reasonable purposes.
(e) To show the premises to prospective tenants during the last ninety days of the term of this Lease.

4. CARE OF THE PREMISES. Lessee shall be responsible for all damage done to the premises or to the Building by Lessee or by Lessee's employees, agents, invitees or customers, and Lessee shall promptly reimburse Lessor for the full cost of all such damage.

5. SURRENDER OF PREMISES. Upon any termination of this lease, by expiration or otherwise: (a) Lessee shall immediately surrender possession and vacate the premises; (b) Lessee shall return the premises to Lessor in as good condition as existed when Lessee went into possession, except for reasonable wear and tear and damage by any casualty and (c) Lessee hereby grants to Lessor full license to enter into the premises in the event of any such termination.

6. REMOVAL OF LESSEE'S EQUIPMENT. Lessee may remove, prior to termination of this Lease, all floor covering, radiator covers, Venetian blinds, window ventilators and other similar equipment which Lessee may have installed, provided that Lessee shall restore the premises to substantially the same condition that existed prior to such installation. If Lessee fails to remove such equipment at or prior to such termination of this Lease, such failure shall constitute an abandonment of any and all items not removed, and title thereto shall pass to Lessor as of the date of abandonment.

7. POSSESSION AFTER EXPIRATION OF LEASE. If Lessee remains in possession of the premises, or of any part thereof, after the termination of this Lease, whether by expiration or otherwise, Lessee shall pay Lessor rent at double the rate specified in Section 1 (a) of this Lease for the period during which Lessee so remains in possession. If Lessee should remain in possession of the premises or of any part thereof after the expiration of the term of this Lease, at the option of Lessor expressed in a written notice to Lessee and not otherwise, such holding over shall constitute a renewal of this Lease.

8. ASSIGNMENT AND SUBLETTING. Lessee shall not assign this Lease or permit the assignment thereof by operation of law. Lessee shall not sublet the premises or any part thereof, nor permit use thereof by any person other than Lessee and Lessee's employees.

9. ALTERATIONS. Lessee shall not make alterations in or additions to the premises without Lessor's advance written consent, and, if such consent be given, Lessee shall comply strictly with all conditions contained in such consent. Alterations and additions to the premises so made by Lessee shall upon installation be and remain the property of Lessor without reimbursement of Lessee.

10. BUILDING REGULATIONS. Lessee agrees to comply with the rules and regulations which are printed on the back of this Lease and which are made a part of this Section 10, as though here set out in full.

11. DAMAGE OF PREMISES BY FIRE OR OTHER CASUALTY. If the premises or the Building are made untenantable by fire or other casualty, Lessor may elect (a) to terminate this Lease as of the date of the fire or casualty by notice to the Lessee within thirty days after that date, or (b) to repair, restore or rehabilitate the Building or the premises at the Lessor's expense within sixty days after the Lessor is enabled to take possession of the injured premises and undertake reconstruction or repairs, in which latter event this Lease shall not terminate but rent shall be abated on a per diem basis while the premises are untenantable. If the Lessor elects so to repair, restore or rehabilitate the Building or the premises and does not substantially complete the work within the sixty day period, either party can terminate this Lease as of the date of the fire or casualty by notice to the other party not later than seventy days after the Lessor is enabled to take possession of the injured premises and undertake reconstruction or repairs. In the event of termination of the Lease pursuant to this Section 11, rent shall be apportioned on a per diem basis and be paid to the date of the fire or casualty.

12. DEFAULTS OF LESSEE.
Upon the happening of any of the following:
(a) if Lessee defaults in any of Lessee's undertakings in this Lease; or
(b) if any voluntary or involuntary petition or similar pleading under any bankruptcy act be filed by or against Lessee; or
(c) if any voluntary or involuntary proceeding be instituted in any court to declare Lessee insolvent or unable to meet debts; or
(d) if the leasehold interest of Lessee be levied upon or attached by process of law; or
(e) if Lessee makes an assignment for the benefit of creditors; or
(f) if a receiver be appointed for any property of Lessee;

Lessor at its election, and with or without notice, may forthwith terminate this Lease, or take any action available in law, without such termination or other action affecting any rights which it may have against Lessee for past due or future rents or other obligations under this Lease.

If Lessee abandons the premises, Lessor may enter the premises for any purpose without affecting Lessee's obligations hereunder.

13. STORAGE OF LESSEE'S PROPERTY. If on termination of this Lease by expiration or otherwise, or on abandonment of the premises, Lessee shall fail to remove any of Lessee's property from the premises, Lessee hereby authorizes Lessor, at Lessor's option, to cause such property to be removed and placed in storage for the account of and at the expense of Lessee, or on such termination, to sell such property at public or private sale, with or without notice, and to apply the proceeds thereof, after payment of all expenses of removal, storage and sale, to the indebtedness, if any, of the Lessee to Lessor, the overplus if any to be paid to Lessee upon demand.

14. NOTICES. Notices shall be in writing. They shall be effectively served by Lessor upon Lessee in any one of the following manners: (a) by delivery to Lessee, or a representative of Lessee; (b) by forwarding through Certified or Registered Mail, postage prepaid, to Lessee at the premises, in which case the time of mailing shall be the time of notice; (c) by leaving a copy at the premises; or (d) by affixing a copy to any door leading into the demised premises. Notices shall be effectively served by Lessee upon Lessor when addressed to Lessor and served either: (a) upon an officer of Lessor, or (b) upon an authorized person in the office of the Building.

15. MISCELLANEOUS.
(a) No receipt of money by Lessor from Lessee after any default by Lessee or after the termination of this Lease or after the service of any notice or after the commencement of any suit, or after final judgment for possession of the premises, shall waive such default or reinstate, continue or extend the term of this Lease or affect any such notice or suit, as the case may be.
(b) No waiver of any default of Lessee hereunder shall be implied from omission by Lessor to take any action on account of such default, and no express waiver shall affect any default other than the default specified in the express waiver and that only for the time and to the extent therein stated.
(c) Each provision of this Lease shall extend to and shall bind and inure to the benefit not only of Lessor and Lessee but also of their respective heirs, legal representatives, successors, and assigns.
(d) Submission of this instrument for examination does not constitute a reservation of or option for the premises.
(e) In the event the premises shall not be completed and ready for occupancy on the date herein fixed for the commencement of the term, this Lease shall nevertheless be in full force and effect and no liability shall arise against Lessor out of any such delay except abatement of rent until the premises are ready for occupancy; provided, however, there shall be no abatement of rent if the space is not ready for occupancy because of work ordered by Lessee and which is not performed by Lessor for reasons which Lessor does not control. If Lessee shall enter into possession of all or any part of the premises prior to the date fixed above for commencement of the term, all of the covenants and conditions of this Lease shall be binding upon the parties hereto the same as if the first day of the term had been fixed as of the date when Lessee entered such possession.

16. TERMINATION BY LESSOR IN CERTAIN CONTINGENCIES. This Lease may be terminated by Lessor on the last day of any month, after six months' written notice thereof to Lessee, under the following circumstances:
(a) If Lessor determines to wreck or destroy the Building; or
(b) If the Building or the ground under the Building, are sold to a purchaser or leased for not less than twenty-five (25) years, to a lessee, who desires the premises for its or his own use or for the use of associates, affiliates or subsidiaries of such purchaser or lessee. Any bona fide purchaser of not less than fifty-one per cent (51%) of the outstanding shares of capital stock of Lessor, shall for the purposes of this clause, be considered a purchaser of the Building. The right reserved by Lessor in this paragraph shall be a continuing right and shall inure to the benefit of and may be exercised by and in the name of any successor, transferee, grantee, or assignee of Lessor.

17. LEASE IS ONLY AGREEMENT OF PARTIES. All of the agreements of Lessor and Lessee with respect to the premises are contained in this Lease.

18. Lessee shall have and is hereby granted the right to terminate this lease at the end of any calendar month during its term provided that notice thereof shall have been given in the manner provided in this lease at least thirty (30) days prior to such termination, and provided further that there shall be no default by Lessee, either at the time of service of notice or at the effective date of termination in any of the terms or conditions contained in this lease.

37. Certain areas as the Port Director shall designate to be used as access to and egress from public rooms such as toilet facilities, entrances to or from restaurant or concession facilities, must not be used by the Lessee, or the exhibitors who lease from Lessee.

38. The Lessee does hereby agree that all vendors, contractors or suppliers, or personnel or prospective personnel, or labor of any Lessee or contractor or concession operator of the City of Chicago that uses or otherwise engaged in or transacting business in and about Navy Pier—or its environments including vehicles of all types—including water craft of any type—shall have free and easy access to and from either their leased or construction areas, at any and all times, including priority to service any such Lessee or contractor.

39. The Lessor reserves the right and privilege to do such work as may be necessary for repairs, renovation, re-building or remodeling or perform such work as the Lessor may deem as necessary during the tenure of this agreement without consent of Lessee including any new construction work, either by an agency of the City of Chicago, or other governmental agency, or by outside contractor; and shall have free and easy access to and from such necessary areas at all times for all such personnel or prospective personnel or labor and all types of vehicles or water craft of any type either of City of Chicago or such agency or contractor or supplier or vendor, or sub-contractor as may be necessary including marine contractors or builders.

40. If, at any time, the recreation area, or other areas of Navy Pier, or the environments, thereof are used for amusement rides or sight-seeing or pleasure rides of any description, the operator of such enterprise shall pay the City of Chicago ten per cent (10%) thereof of his gross receipts, after Federal, State, County or Municipal taxes have been deducted from such charge for admission or ride. The Lessee shall be held responsible for payment for such amount as may be due the City of Chicago.

41. If the Lessee operates, or shall lease to be operated, any type of show or spectacle or amusement within the area leased by the Lessee, or in and about Navy Pier, and an admission price is charged for same either directly or indirectly, same shall be construed as amusement etc., and the City of Chicago shall receive therefrom ten per cent (10%) as above provided. This pertains also to any type of water show, or other show of any type that may be operated in the waters adjacent to Navy Pier.

42. If the Lessee operates any type of exposition or show for which a base entrance admission is charged, the City of Chicago shall receive—as is now provided by law—three per cent (3%) of the established base price of admission, such three per cent (3%) shall apply also to advance sale tickets, or book or block sale of tickets, either at a reduced or "marked up" price—such three per cent (3%) shall be paid to the City of Chicago on the basis of established price of admission, not the reduced price, for example if the established price—(before U.S. tax or other government tax) is one dollar ($1.00) at the ticket seller's window, and such or same type of ticket is sold in advance, or any other way that will admit person on same privilege as ticket window admission ticket, and is sold at a reduced price, the City of Chicago shall collect on value of such ticket as is sold at the "box-office or ticket window" price. The same basis for collecting the City of Chicago three per cent (3%) shall apply to any "package" type of ticket that may be sold or given away by Lessee or agents of Lessee, this pertaining in particular to "tie-in" sale of space to exhibitor or other persons or parties of any other nature whatsoever, either paid for or given away by Lessee or other persons.

43. All tickets of admission, if any, shall be in a form satisfactory to and shall contain only such words and figures approved by the Port Director, and there shall be printed on the face of each ticket the following statement: "The City of Chicago, as Lessor, does not assume responsibility for the performance for which this ticket is issued"; and shall be prepared by a responsible printer at the sole expense of the Lessee, who shall furnish to the Port Director at least five (5) days before the event, a verified statement of the number of tickets (including complimentary tickets) printed and delivered to the Lessee for use at the event and of the price, if any, to be charged for each ticket. If and as soon as any other tickets are printed or used, the Lessee shall furnish a similar verified statement with respect thereto. A facsimile of each type and kind of ticket to be issued by the Lessee shall be submitted to the Port Director for his approval at least thirty (30) days prior to the time any ticket is offered for sale or distribution by the Lessee, or at the time of the execution of this agreement by the Lessee, whichever is the later.

44. If the premises or any part thereof are used for paid admission type of show, at the close of each day's performance of show, or at the end of each day, the Port Director or his representative shall be present to certify the official box office or ticket treasurer's daily report and shall be furnished at least three copies of the box office ticket report form sheet duly certified by an accredited representative of Lessee and the box office treasurer. On this form or an attached form shall be shown the number of other persons entering the premises on either complimentary, executive, staff, employee, service, performer or exhibitor type admission; however, reasonable allowance shall be made for visiting dignitaries or special admissions such as messengers, guards, etc., or musical or parade organizations, or members of the Armed Forces of the United States or other countries.

45. The City of Chicago shall approve of the number and form of complimentary, press, etc., or free tickets that may be distributed—and the City of Chicago shall be entitled to such a number of such complimentary tickets as may be deemed necessary by the Port Director, such number shall not exceed fifteen (15%) of the number of free or complimentary tickets printed or made up by the Lessee or his agents. No exhibitor or concessionaire of Lessee shall issue any tickets either for admission or concession purposes, except with written approval of the Port Director.

46. All forms and types of credentials, identification cards or badges or ribbons or buttons that may be used to gain entrance to show, exhibition or fair, either by executives, staff members, employees of either the Lessee or his agents, exhibitors or operators of amusement enterprises, or performers, or any other person, or members of the press, radio or television or official photographers, shall be approved by the Port Director as to number and form.

47. If admission is charged for entrance to show or exhibition or fair, there shall be self counting turnstiles installed at entrance thereto and all persons permitted to gain entrance thereby, either as executive, staff, employee, exhibitor or performer or any other reason—including paid or complimentary admission, shall pass through such turnstile. Such turnstile count shall be immediately available to a responsible executive or officer or duly authorized person of the Fire Department, Building Department, or Port Director's staff for purposes of determining the number of persons then on the premises for reasons of safety or security.

48. Lessee hereby expressly waives any and all claims for compensation for any and all loss or damages sustained by reason of any defect, deficiency or impairment of the electrical and plumbing installations or any part thereof furnished for the premises hereby granted, or by reason of any loss or impairment of light or current or water which may occur from any cause, or for any loss or damage sustained by the Lessee resulting from fire, water, wind, and specifically from leaks in roof or skylights or doors caused by rainfall or other causes, civil commotion, riots or labor strikes; and the Lessee hereby expressly waives all rights, claims and demands, and forever releases and discharges the said Lessor or its officers and agents from any and all demands, claims, actions and causes of action arising from any of the causes aforesaid or in any manner whatsoever.

49. Lessee agrees that no performance, exhibition, or entertainment shall be given or held on the Navy Pier which are illegal, indecent, obscene, lewd, immoral or in any manner publicly offensive, then said Port Director shall have the right to demand of Lessee that he immediately delete such portions of the production as are subject to such criticism, or to rewrite or have changed the said attraction so that it will not be publicly offensive, and the Lessee agrees immediately upon receipt by it of such notice to make the requried changes and deletions.

50. Lessee hereby expressly waives any and all claims for compensation for any and all loss or damages sustained by reason of any interference by any public agency or official acting in the performance of their official duties, in the operation of the Navy Pier, however, such interference shall not relieve the Lessee from any obligations hereunder.

51. Lessee agrees that nothing herein contained shall create or be construed as creating a co-partnership between the Lessor or any department or employee of the Lessor and the Lessee or to constitute the Lessee as agent of the Lessor or any department or employee of the Lessor.

52. Lessee agrees that within not less than ten (10) days prior to the opening date of the Lessee's show under this lease, the Lessee shall furnish the Lessor policies of insurance written by insurance companies to be approved by the Port Director and in the amounts required by Lessor, insuring Lessor against any and all claims for damage, death, injury and loss to persons and property, and against any and all suits or actions on account of any of the same that may be filed against the Lessor and each and every member, department and employee of the City of Chicago, or the Lessor as a result of this final rental agreement and any occupancy or use of the premises under this rental agreement. In no event shall public liability insurance be less than $100,000.00 on account of injury or death to one person, and $300,000.00 on account of multiple injuries or death, nor less than $25,000.00 on account of loss or damage to property. All such policies of insurance shall be accompanied by receipts showing payment of premiums in full.

53. The Lessee shall not transmit a description of any portion of its operation by means of radio broadcasting or television without first having received permission to do so from the Port Director.

54. The Lessor reserves the right to cancel this agreement if the Lessee shall be engaged in advocating perversion of, or resistance to Local, State and Federal Laws, or be identified with communistic organizations, or organizations advocating resistance to our form of government, and the return of any deposit made shall settle all alleged claims the Lessee may have against the City of Chicago thereby.

55. No alterations, variations, or additions in or to the terms of this contract shall be valid unless in writing and signed by the parties hereto.

56. This contract shall be construed in accordance with the laws of Illinois and any action hereon may be brought in the Courts of Cook County.

57. It is further agreed by and between the Lessor and Lessee as follows:

(16) The City of Hometown agrees to prevent excessive use and waste of water.

(17) The City of Hometown agrees to appropriate annually sufficient money or so much thereof, as may be necessary, to provide sufficient funds for the payment of the water furnished by the City hereunder. (31) If the City of Hometown shall refuse, neglect or fail to pay promptly the water bills rendered for the water supplied it hereunder within the time or times prescribed by the ordinances of the City, or if the City of Hometown shall fail to comply with or perform any of the conditions or obligations on its part to be complied with or to be performed hereunder, and if after such failure the City shall deliver at the City Hall of the City of Hometown, addressed to the Mayor of the City of Hometown, a notice in writing of its intention to shut off the supply of water on account of such failure, refusal or neglect, then the City shall have the right to shut off the supply at the expiration of five (5) days after the giving of such notice, and to terminate this contract unless within such five (5) days the City of Hometown shall make

good such failure. The shutting off of the supply of water for any such cause shall not release the City of Hometown from its obligation to make payments of any amount or amounts due or to become due in accordance with the terms hereof.

(32) No assignment or transfer of this agreement shall be made by the City of Hometown.

(33) The City of Hometown hereby waives any defenses it may have by virtue of any governmental function it exercises in any action brought at law or equity under the terms of this contract.

(34) No officer, official or agent of the City has the power to amend, modify or alter this agreement or waive any of its conditions or to bind the City by making any promise or representation not contained herein.

WHEREAS, On March 28, 1969, God in His Almighty Wisdom took Dwight David Eisenhower from the people and the nation he loved after a valiant fight for life; and

WHEREAS, As one of five sons of a family with modest income, he experienced the struggle of providing sustenance for a large family; and

WHEREAS, Dedication and service to his country began with attendance at the West Point Military Academy, and duties during the First World War as a tank instructor and later as tank corps commander; and

WHEREAS, He continued his military service through the Second World War where his rare talent as a planning officer was recognized and he rose rapidly taking on the awesome responsibilities of Commander in Chief of Allied Forces in Europe; and

WHEREAS, He performed with imagination and profound understanding the momentous task of coordinating the efforts of all the Allied Nations in their assault on the fortress which Europe had become and with infinite patience and perseverance, spearheaded the drive which resulted in victory in Europe; and

WHEREAS, After the conflict was over, he continued his services to free people everywhere by assuming the command of the newly formed North Atlantic Treaty Organization, designed to keep the world at peace; and

WHEREAS, Dwight D. Eisenhower's faith in American institutions of learning and knowledge led him to become President of Columbia University; and

WHEREAS, The people of the nation showed their confidence and faith in his leadership by electing him in 1952 to the highest office in the land; and

WHEREAS, This man of military honors made his goal peace and sought in every manner possible to prevent further wars; and

WHEREAS, During his two terms as President he sought to enhance the strength of the nation by reorganizing the Defense Department, urged the buildup of the space program, proposed an open skies program to diminish the threat of nuclear war; and

WHEREAS, He gave full support of the highest office of the land to bringing about equal opportunity and fair treatment for all Americans in the military and implemented the nation's commitment to equal education for all our children; and

EULOGIES AND PRAYERS BY HIS EMINENCE JOHN CARDINAL CODY, ARCHBISHOP OF CHICAGO, RT. REV. BISHOP TIMOTHEOS, GREEK ORTHODOX ARCHDIOCESE OF NORTH AND SOUTH AMERICA, AND RABBI SEYMOUR J. COHEN, PRESIDENT, THE CHICAGO BOARD OF RABBIS.

Honorable Richard J. Daley, Mayor, then called upon His Eminence John Cardinal Cody, Archbishop of Chicago, who addressed the Council stating there is a biblical sentence which might well be quoted this morning: "Know ye not that there is a great man fallen this day?". The Cardinal spoke briefly of the character of the man as exemplified by the former President, Dwight D. Eisenhower, which theory moved the late President to affirm that "the intangibles are the real treasures free men possess." These were the qualities that Mr. Eisenhower wrote of late in his life —virtues that he made his own throughout his life. His sense of moral right, his commitment to integrity created the respect and affection so many felt for him. He had strong faith in the dignity and equality of all human beings. In his second inaugural address he stated, "and we declare our firm and fixed purpose—the building of a peace with justice in a world where moral law prevails". The Cardinal stated, "rather we express our gratitude as well to Almighty God for the life of service that was Dwight Eisenhower's and for the legacy and the mandate that he has left us".

Thereupon Right Reverend Bishop Timotheos addressed the Council eulogizing the late General in which he stated the great loss not only to the people of America but to all the nations having strove to make the world a better place for all. The Bishop asked God's blessings on the late General Eisenhower, his family, and all the families of the nation.

Rabbi Seymour J. Cohen in his address to the Council stated that Mr. Eisenhower was a great soldier, educator and statesman, whose memory will be inscribed forever in the hearts of grateful men; he honored him not only in his victories in war but more for achievement in peace. Rabbi Cohen also prayed for former President Eisenhower, his wife, Mamie, and his son, John, and for all the members of his family.

At this point in the proceedings, Honorable Richard J. Daley, Mayor, announced that the All City Chorus of the Chicago Public High Schools would sing the "Gloria"—from the Mass in G Major, composed by Franz Schubert.

The Mayor also expressed his condolences to the members of the bereaved family.

Alderman Keane also expressed condolences to the members of the bereaved family.

Alderman Sperling in his remarks in seconding the adoption of the resolution, stated that former President Eisenhower was a giant of a human being; that in his travels throughout the United States and the world he was depicted with his warm smile and was greeted by a multitude of people who wished to see this great man.
